linkedin.com/in/caleb-ahouanvoeke-09196713b

Native French speaker and Master's student in Information Technology, with a full-stack developer background and experience presenting to varied audiences. I am looking for flexible, part-time remote work, such as AI voice recording and audio review, that fits around my studies.

Languages

French : native · English : B1, able to follow written and spoken instructions

Availability : flexible, part-time, remote, working hours in Central European Time

Relevant skills

Audio and voice : built a mobile app with live audio streaming (Icecast, expo-av), worked with a natural-language assistant (Nova, Mistral API)

Communication : presenting projects to adults and children, clear explanations, active listening

Reliability : independent work, meeting deadlines, following written instructions precisely

Technical : Vue.js, TypeScript, Node.js, React Native, Python, Git, Docker, Figma

Experience

Full-Stack Developer Intern, FEMTO-ST (CNRS), Mu-CAR project, Montbéliard, France · *May 2026 to June 2026*

- Built the web version of Mu-CAR, a carpooling and multimodal mobility platform (Vue.js 3, TypeScript)
- Natural-language trip planning with the Nova assistant (Mistral API), real-time trip tracking (Socket.IO)
- Ran the Mu-CAR stand at the INOUIH festival (May 2026, Montbéliard campus) for adults and children

Full-Stack and Mobile Developer Intern, Radio Amitié association, Grand-Charmont, France · *Mar. 2026 to May 2026*

- Cross-platform mobile app (React Native, Expo, TypeScript) with live audio streaming
- Android build through EAS Build, Figma mockups with a custom JavaScript plugin

Full-Stack Developer Intern, Ministry of Economy and Finance, Cotonou, Benin · *Sept. 2022 to June 2023*

- REST APIs (Spring Boot, Java) and Angular interfaces, tested with Postman, Agile team with sprints and code reviews

Kitchen Assistant and Server, Restaurant Le Trois, Belfort, France, and Restaurant Sancey's · *Jan. 2026 to Aug. 2026*

- Fast-paced kitchen work under strict HACCP hygiene rules, plus customer reception and table service as an extra

Multi-Skilled Employee, Espace Courses Bénin, Cotonou, Benin · *June 2023 to June 2024*

- Prepared 80 to 120 orders a day with a near-zero error rate and checked site access (80 to 120 people a day)

Education

Master 1 Information Technology, Multimedia Products and Services, Université Marie et Louis Pasteur, Montbéliard, France · *Since Sept. 2026*

Bachelor's degree (L3) Computer Science, Multimedia Products and Services, same university · *2025 to 2026*

Professional Bachelor's degree Management Information Systems, University of Parakou, Benin · *2019 to 2022*
